Dear Wally—  
 I'll really been  
 alot of fun in  
 German with you.  
 Without you here  
 it would have been  
 positively like a  
 prison with  
 Mr. Fuller. Next  
 year while he eats me  
 up I'll think of you  
 in whatever you take  
 having a rest with-  
 out drink. Good luck  
 with your drinking. Please  
 don't have an accident  
 for a while.

Love y Lots—  
 Chris Klemm

P.S. Good Luck with Luc!

UNDERCLASSMEN

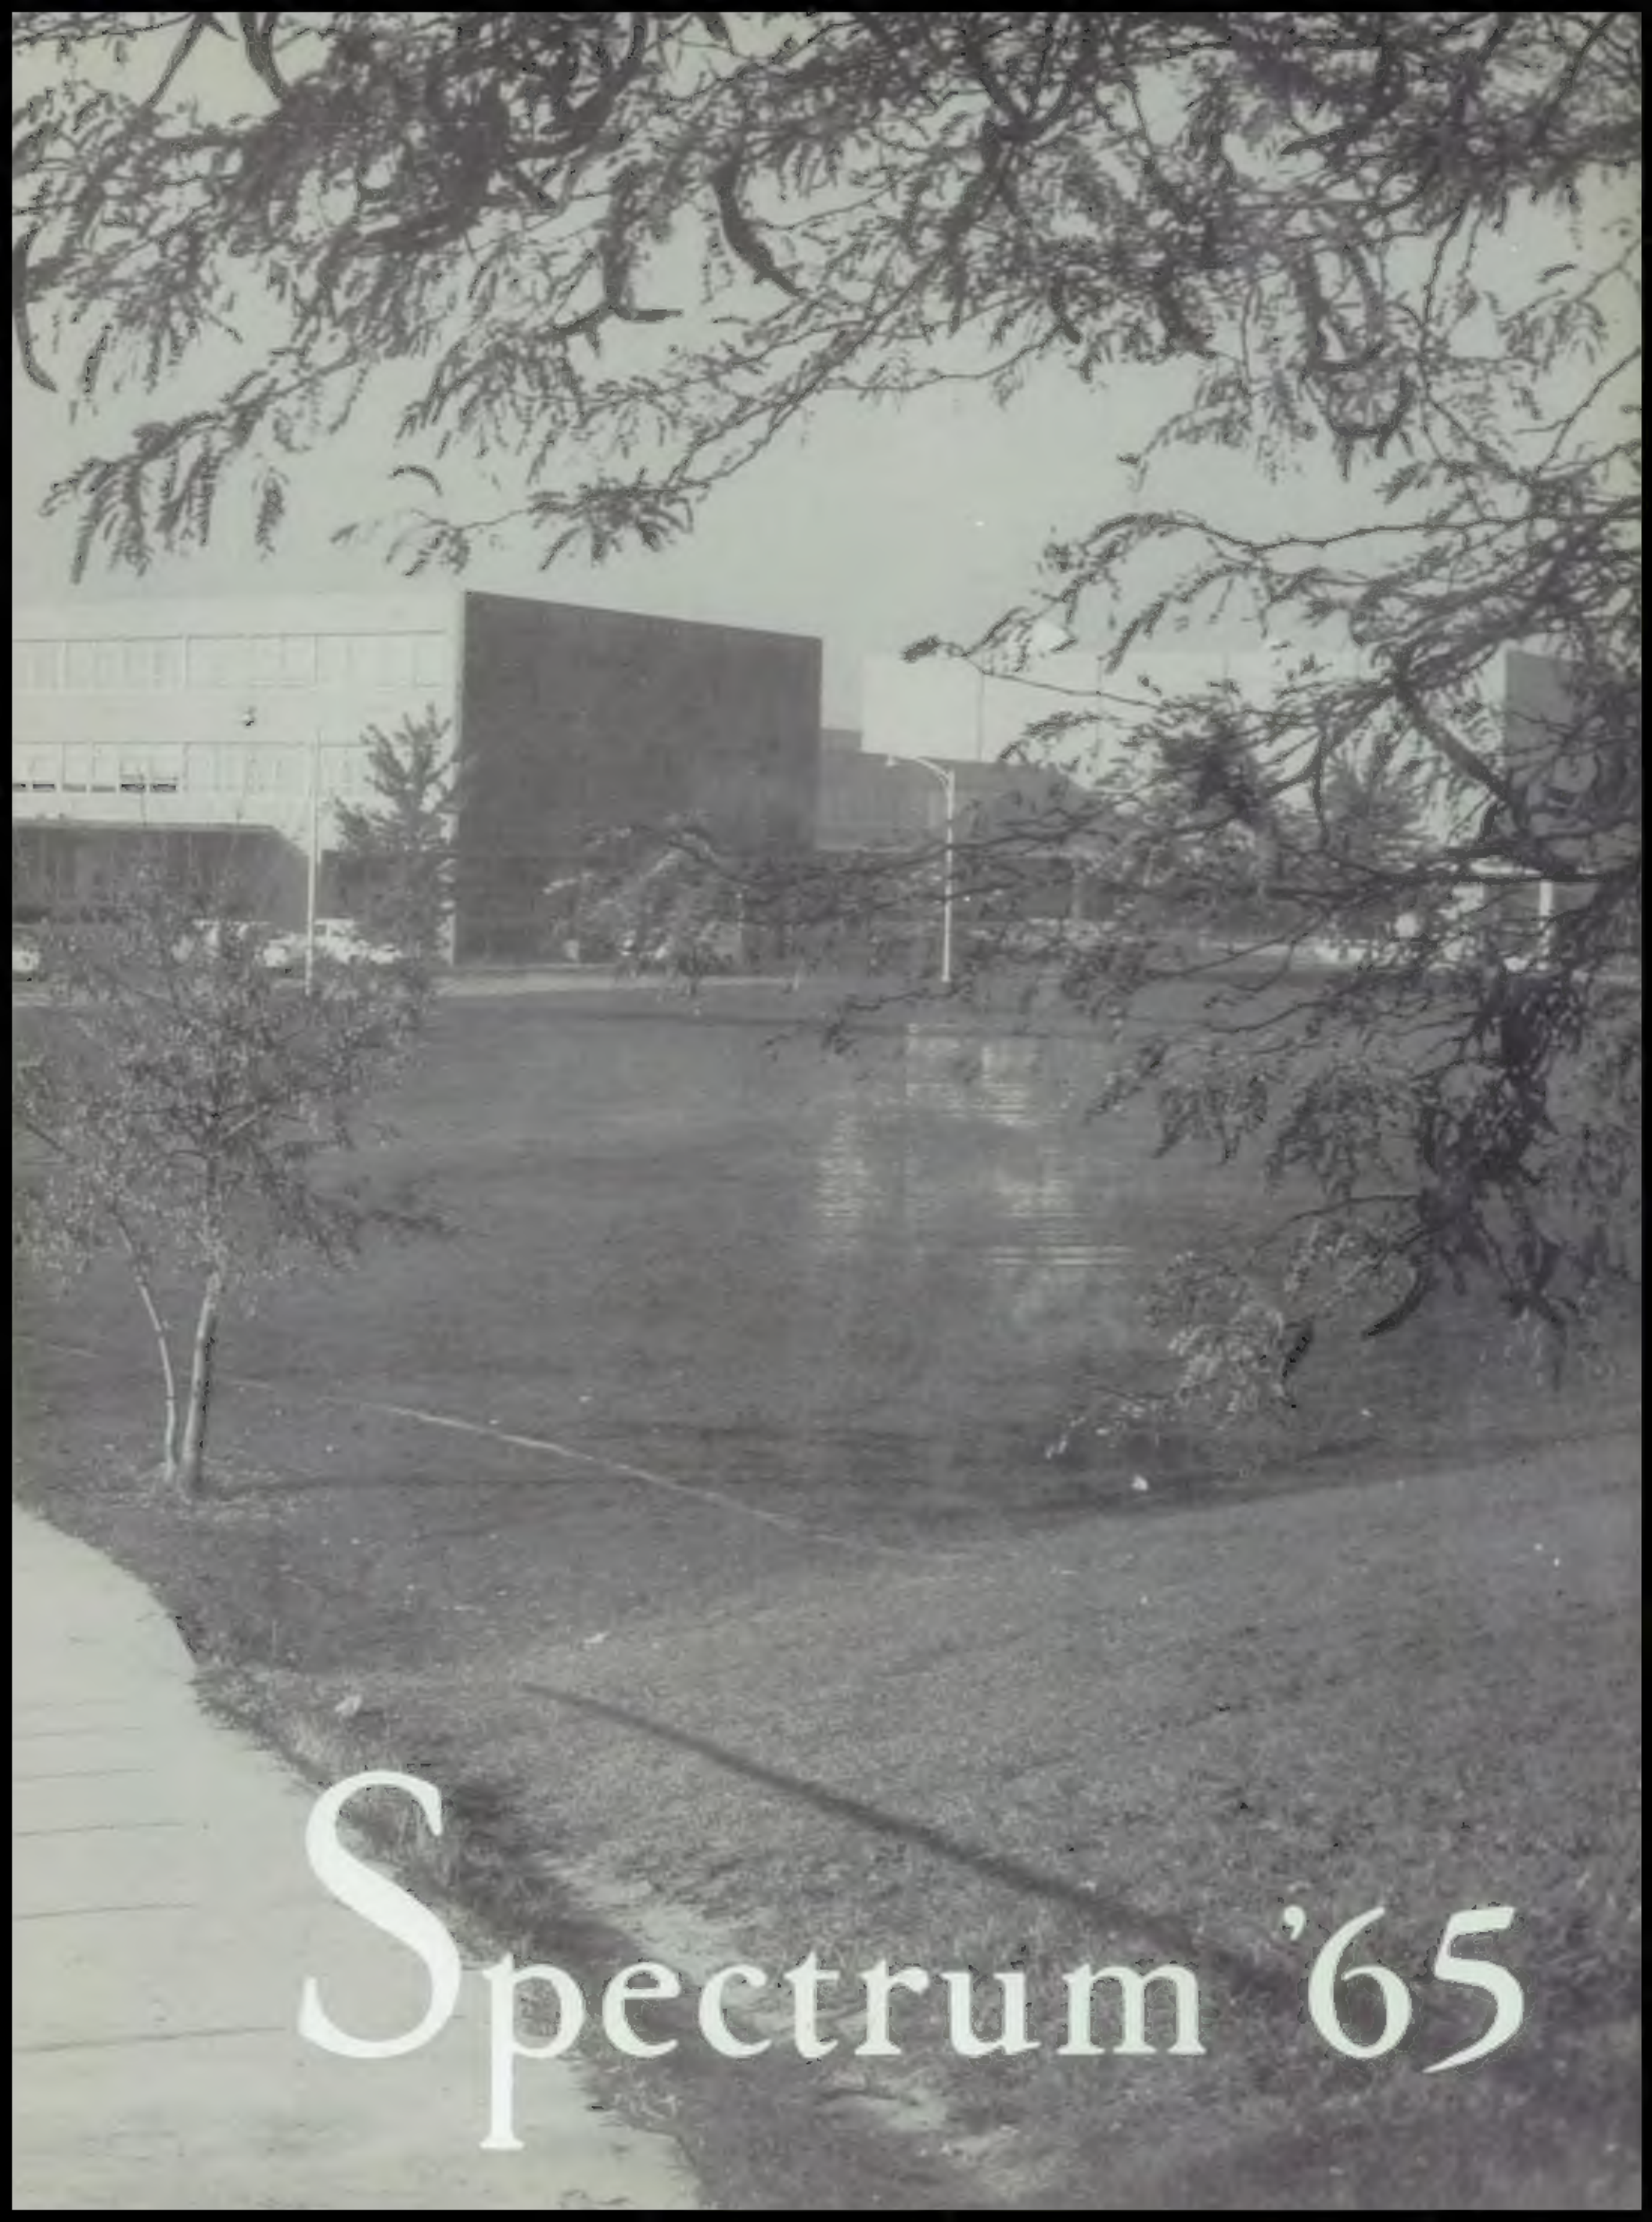

SPORTS

We students coming, green as all young things,  
Know first our teachers,  
Some wise, and some not so;  
We taste the peaceful blue of contemplation,  
And the exciting colors, too—  
The gold, the red, the orange  
Of our activities.  
We hope to leave, complete—  
To become like a kaleidoscope,  
Like our school,  
An ever-changing pattern  
Containing every color.

## ACADEMIC

The blue of serene study,  
The black of failure,  
Both were ours this year.  
We sought not only to know,  
But to make known;  
Not to accept,  
But to question;  
Not merely to find truth now,  
But to seek it in the future.  
We knew the elusiveness of  
concepts;  
We knew the electric flash of  
discovery;  
Our achievements were rewarded  
In gold, silver, and bronze.

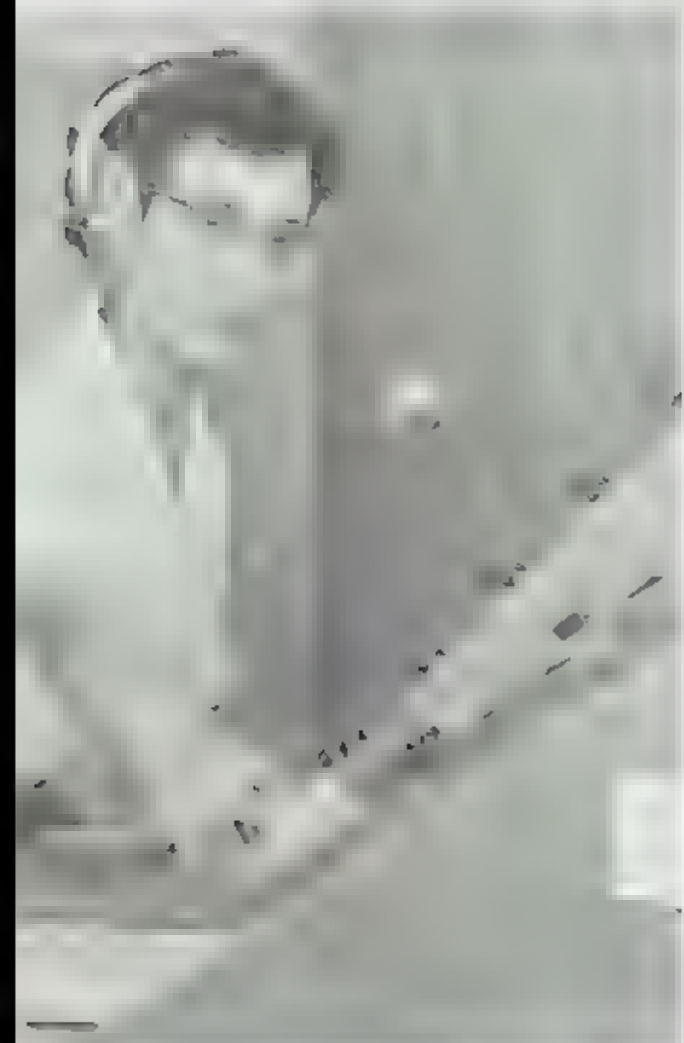

Leadership is a purple mantle  
 Resting on the shoulders of men  
 Teachers and administrators  
 A few help us to know only  
 themselves  
 Most however point us to still  
 understanding  
 And these are the true leaders  
 Those who help us to realize the  
 loyalty  
 In each of us

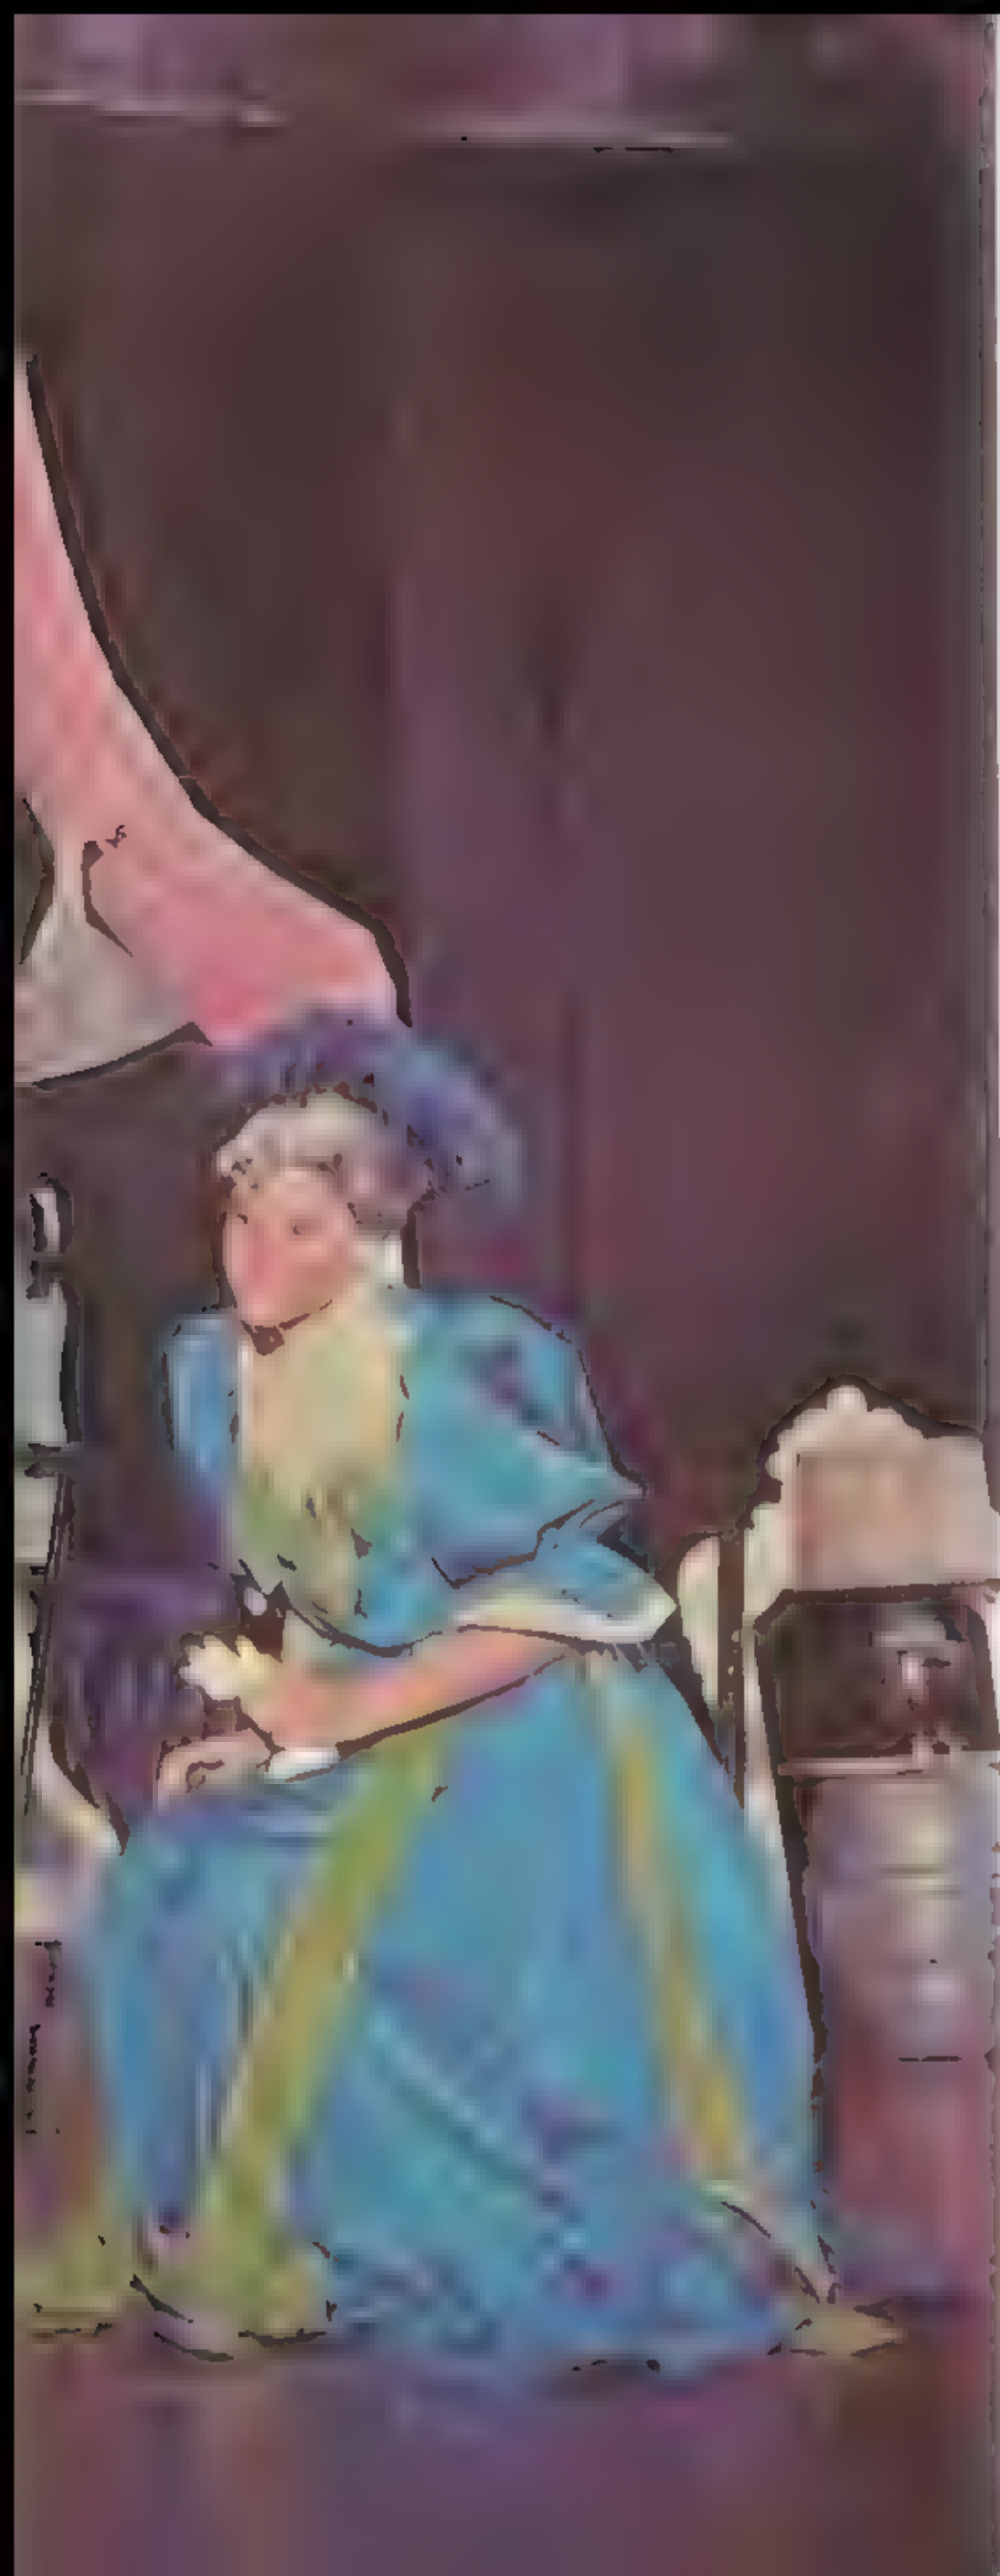

# ADMINISTRATION AND FACULTY

## ACTIVITIES

Orange is the color of our  
activities  
Pulsing with youth and life  
We do not wish  
to leave the present world;  
The things we do  
Are not means to escape  
Though nothing is more immediate  
Than a school dance,  
Its sentimental orchid  
Will tint our memories  
And nothing is more here-and-now  
Than our student government,  
But the experience it leaves us  
Can dye our futures gold.

## SPORTS

Our emotions were channeled  
 Into bursts of red-and-white sound  
 All pep rallies;  
 While some of us competed  
 Others were contented  
 Just to watch  
 But to all of us the red of action,  
 The green of turf,  
 The surface of a polished gym-  
 nastic floor,  
 Reflected something  
 Of significance to all.

## ACADEMIC

This diversity of colors  
This jumble of topics,  
Initiates a paradox.  
For from chaos,  
We shall find truth  
In a rainbow of studies.  
We shall find truth—  
The blue and peaceful order  
Of everything in place.

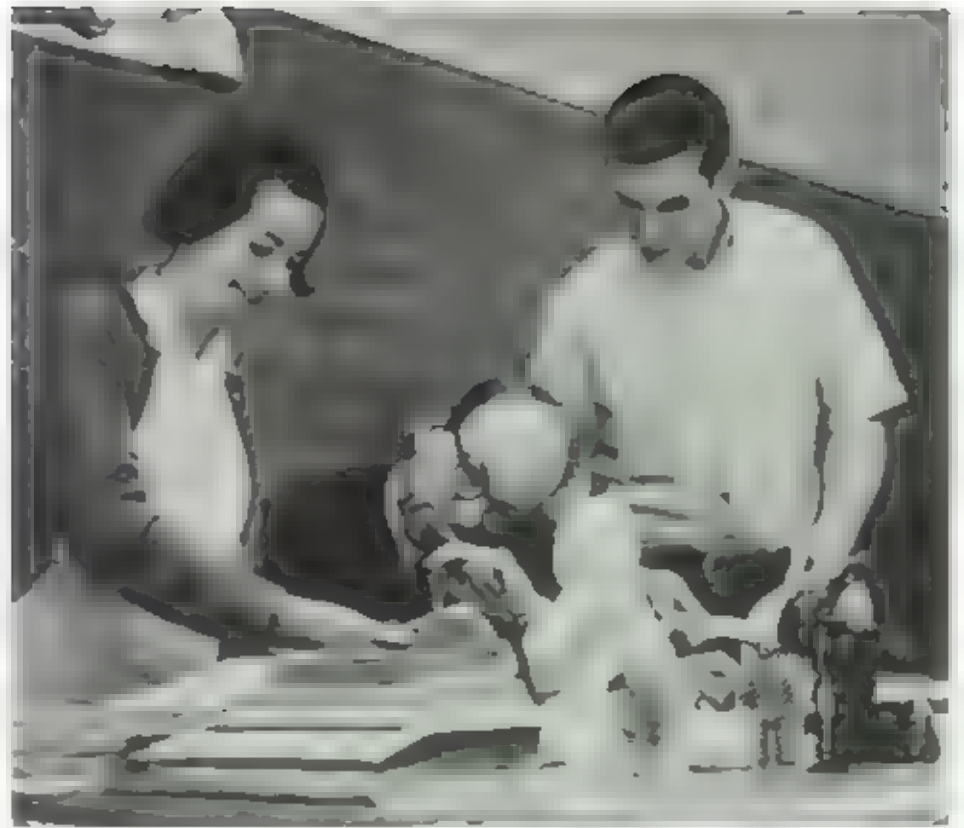

# English

English presents the galaxy of man's poetic spirit: the words, images, insights, tones, and metaphors; English also provides the cool practicality of verbal skills. It satisfies the two shades of man's nature—the real and the ideal. Being the most colorful of all the academic studies, its lively scope includes everything from the fiery sermons of the early Calvinists to the moonlight and flowers of *A Midsummer Night's Dream*, from the red imagery of *A Tale of Two Cities*, to the study of logical thinking, with its clear black and white patterns and its infinite shades of gray.

## Social Studies

The pageant of social studies is a parade of red-cloaked Roman legions, tricolored French revolutionaries, gray Nazi soldiers, and frontiersmen dressed in buckskin. Not only history, but such diverse studies as economics, psychology, and sociology contribute to the student's understanding of himself and his world.

These subjects aid the student in his necessary search for identity. Nothing can be more relentlessly vital or topical, for social studies is the measure of man himself.

# Science

Science is like a many-hued tapestry of colors. It contains the vital green of biology, the brilliant yellow of chemistry, the deep red of physics, and the blue of earth and space. It is the foundation of our modern world, the key to our future.

Through science, we learn about the world around us, the laws of nature, and the possibilities of the future. It is a journey of discovery, a quest for knowledge and clear understanding of the universe. Science will continually spin its web of value throughout our lives, from the homeliest acts of everyday life to the loftiest achievements of modern technology.

# Mathematics

Figures stand out sharp and sooty gray against a variegated background of light and dark. The figures used to solve geometry have seen a wave of red to greet them as they struggle to unravel their mysteries, and the elaborate equations of algebra seem to equate one universe with another. Yet the creation of order from confusion is one of the greatest achievements of man and knowledge of mathematics, with its sharp defined formulas that are either right or wrong, pays golden dividends in terms of logic and precise thought.

patiently waiting for our wits to grow  
stronger.

# Foreign Language

Nowhere in civilization is the colorful variety of man's nature more vividly shown than in his languages. No time in history has presented such a challenge to this power of language for peace and understanding. Here also is found the cathedral of his hope.

Latin discloses the order and interrelatedness of man's speech and writing. In French are found the sophisticated sounds of wit and intellect. Spanish is characterized by the buoyancy of vocal rhythms. Precision and force emanate from the powerful rolls of the German sound, and the Russian alphabet and tongue provide a glimpse of the intricacy of an exotic and valuable culture.

# Business Education

The click and ring of typewriters plays a tune to anyone walking down the hall in the business education section of Niles. The color and vigor of this department deny the belief that "businesslike" means stark, gray, and drably efficient. Instead, such courses as typing, secretarial practice, and bookkeeping offer variety and an opportunity for future success.

Sparks fly from a welder's torch in an industrial arts class. Home economics teachers stress the importance of color-keyed clothing, flower arrangements and table settings. These courses prepare students for the future, but they also help enrich their daily lives. The girls who study home arts will eventually fulfill one of the highest callings, that of wife and homemaker. The boys who pursue the trades will soon meet society's great demand for skilled technicians and artisans. Little doubt exists that the vocational skills of industry and home are receiving increased emphasis. A modern society would fail without them.

His God gives skill, but not without men's hands

# Fine Arts

As the students learn to create their own works of art, they are also learning to appreciate the work of others. The students are encouraged to express their own feelings and ideas through their art. They are also learning to work together and to share their work with others.

Art is a way of life. It is a way of expressing our feelings and ideas. It is a way of communicating with others. It is a way of making our world a better place. Art is a way of life. ## Physical Education

Every period of the day, some students are diving into the blue-green water of the swimming pool. Boys dressed in red are playing basketball or performing stunts on the apparatus. Blue-clad girls are taking part in the more exciting ritual of modern dance classes. Elsewhere in the school's physical education wing, students are taking notes on first aid and the physiology of exercise.

Everyone is now realizing the importance of exercise in maintaining mental stability and alertness, and the Niles West physical education department is illuminating the fact that the good life demands a sound body and healthful activity.

## Superintendent of Schools

With the recent addition of Niles North, Dr. Clyde Parker, Superintendent of Schools, has the administrative responsibility of three schools for the 1964-1965 academic year. Dr. Parker's excellent preparation includes the position of Superintendent of Schools in Washington, Indiana, Moline, Illinois, and Cedar Rapids, Iowa. His career also includes teaching courses of school administration and philosophy of education at Indiana University and Augustana College. Assisting Dr. Parker is Mr. Paul J. Houghton who directs administrative details of teacher personnel.

## West Administration

To some students, the Niles West main office is a place where one goes for punishment or for a talking-to." To others, it is the center of the school's brain trust." In reality, the Niles West administrators are a blend of these qualities.

Dr. Nicholas T. Mannos, the principal, upholds and enforces school policy. His assistants are Dr. Gilluly, who is in charge of the senior class and counseling services; Mr. Matka, director of student activities and assistant principal in charge of juniors; Mr. Kinghorn, the newest administrator, who juggles the huge volume of school supplies and advises the sophomore class; and Mr. Schubert, the assistant principal in charge of freshmen and attendance.

Mr. Cocking brings a scholarship list to the attention of Dr. Gilluly, assistant principal in charge of counseling.

## Debate

Transferring one's thoughts and ideas clearly and effectively to a general audience is an art of eloquent achievement. The Debate Competition evaluates this craft among students who command talent in oral presentation and desire skill in rhetoric. This organization particularly is a cross-section of other schools. These competitors are provided with a series of topics to draw upon for experience and judgment. The confidence necessary to deliver a clear and polished speaker is the most desired and earned a dying art.

Before a school production can be a success, many students must work on the numerous crews responsible for every job involved in a theatrical presentation. The members of Thespians represent these various divisions of graduates. While some students gain their membership by performing on stage, others perform the necessary behind stage duties.

## Spotlighters

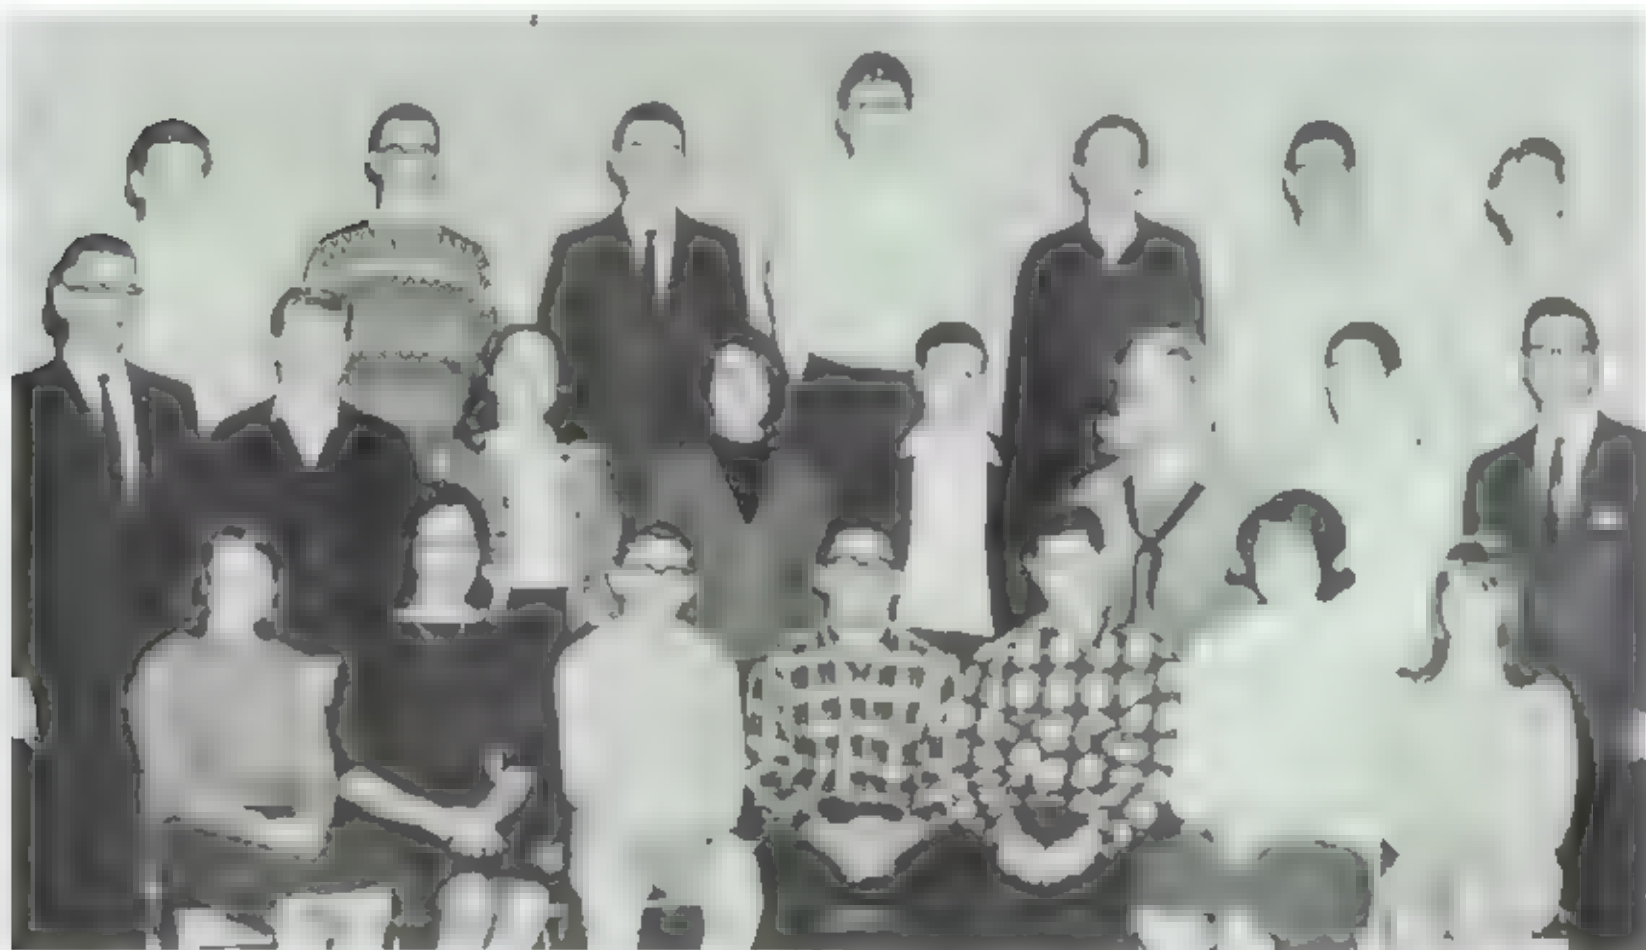

Spotlighters, the "little theater" of Niles West, consists of freshman and sophomores interested in the art of the theater. During the year, Spotlighters usually present a series of brief, one act plays which present an evening of entertainment and fun next. This year several Thespian members served as student actors for these plays thereby creating a closer affiliation between the two organizations.

The 1964 Homecoming Court

All the excitement of fall was present at Homecoming, involving everyone in some part of the weekend's activities. One event followed another in a mad race which began with the construction of the floats and ended with the dance for some, and will always be a cherished memory for all.

Shrieks and shouts split the grey dusk Friday afternoon as the weekend began with the twilight pep rally.

Red was the predominant color. The red of the new queen's bouquet of roses matched the red brought out in many of the floats in Saturday's parade. Red was also the color of many of the float-builder's eyes after working on their floats through the night.

Later at the game, our stands were filled with enthusiastic Indian fans cheering loudly out the exciting game.

Saturday evening many students and alumni attended the dance. "Those Were the Years." For many, it was the perfect end to a busy weekend.

## Madwoman of Chaillot

With the phrase "MAD, MAD, MAD" echoing through the halls, Niles West students were reminded of the question, "Who are the mad people, and who are sane?" The answer was found on November 13 and 14, 1964, when *The Madwoman of Chaillot* premiered in the auditorium. The large cast and difficult roles presented many problems to actors and directors. Because many characters had to be played on two levels, other difficulties were added. The characters included the Madwoman of Chaillot, who ruled the world of all its evil, Gabrielle, who faced the world with wide-eyed innocence; Constance, who had a favorite pet, an imaginary dog, and Josephine, who spent many years waiting for President Wilson to come out of Versailles Palace.

"I have heard of your paintings too, well enough; God has given you one face and you make yourselves another."

## Lettermen Concert

On January 10 the three Lettermen, Tony, Jim and Bob, appeared in concert at Niles West. A variety of songs were presented, including folk songs and popular music. Two medleys, one from West Side Story and another of their own composition, were also performed.

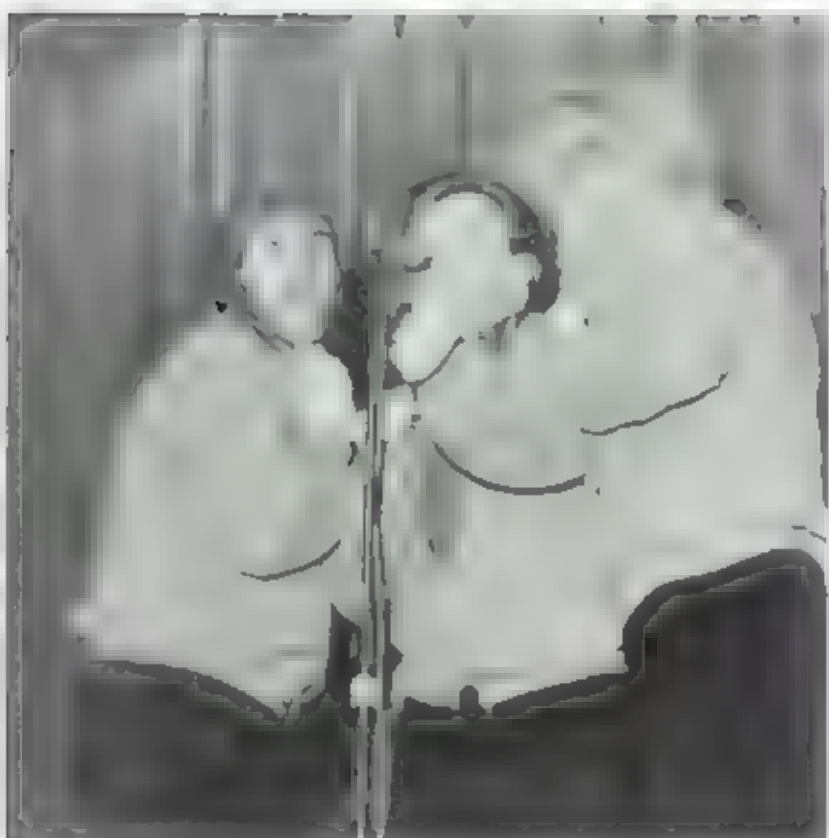

The Lettermen were enthusiastically received for their exceptional singing ability and for the humorous comments which were added.

At the end of the performance the warmly receptive audience insisted on an encore which grew to an additional half hour of entertainment.

## Pow-Wow '65

Keep It Under Your Hat was the theme of Pow Wow '65. Student planned, produced, directed, written, choreographed and presented. Pow Wow was a Niles West first. Never before has such a tremendous project been undertaken by our students and never before has a talent show been such a success.

'The Brotherhood of Man' and the benefits of a democratic society were discovered by two Russian spies as they toured Niles Township. The various acts examples of American life as

Since the sales were not diversified, ranging from West's to the Leaning Tower, it was a surprise to find Liverpool County they had a large number of varied preferences.

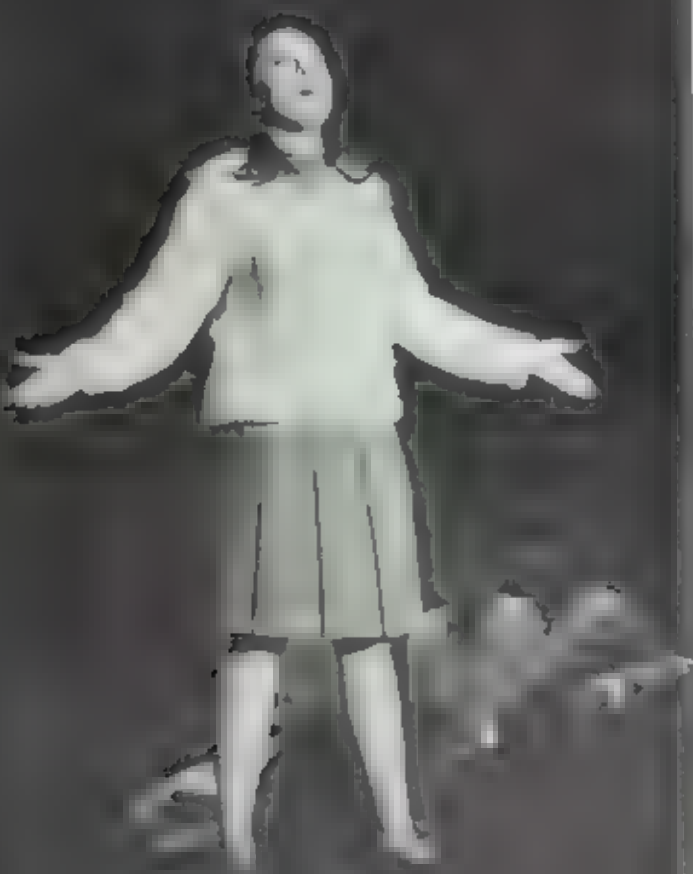

Besides the central theme of the exhibition, which was a tribute to the songwriters of each category, now and then, the names of these performers will be inscribed on a plaque.

## SENIORS

The senior combines all colors.  
He is like a prism, reflecting and  
retaining  
A mixture of the hues in true  
proportion.  
Hopefully, he shall carry with him  
The colors of his school's spectrum.  
Wherever he may go,  
And he will leave to future classes  
Part of his own color,  
Some of his uniqueness.

## JUNIORS

The colors of the spectrum are diagonally reaching out to the third-year class, thus giving the juniors an emerging status. Not yet seniors, but certainly removed from the two underclasses, juniors have a deepening sense of pride in our school. Certain responsibilities are presented with the title "junior", among which are setting an example for the freshmen and sophomores and preparing for their role as "seniors". For example, Junior Cabinet sponsors the Junior-Senior Prom, the most important social event of the year. Juniors will be soon responsible for the direct continuance of the spectrum colors — bright and varied.

## SOPHOMORES

The spectrum touches the sophomores invitingly yet obliquely. The second high school year can be so much more enriching than the first. The sophomore feels as if he really belongs to the school and becomes an active participant in student activities. He becomes a sports enthusiast and strives for scholastic excellence. He has developed that school spirit which is so important to his high school life. The sophomore has the exciting experience of finding his place in the sun.

## Sophomores

 $\frac{1}{2} \ln 2$ 

1. The first part of the document discusses the importance of maintaining accurate records of all transactions, including sales, purchases, and expenses. It emphasizes the need for a systematic approach to record-keeping, such as using a ledger or accounting software, to ensure that all financial data is properly documented and organized.

2. The second part of the document focuses on the importance of regular reconciliation. This involves comparing the company's internal records with external statements, such as bank statements or supplier invoices, to identify any discrepancies or errors. Regular reconciliation helps to ensure the accuracy of the financial records and allows for the timely identification and correction of any mistakes.

3. The third part of the document discusses the importance of maintaining proper documentation for all financial transactions. This includes keeping receipts, invoices, and other supporting documents for each transaction. Proper documentation is essential for verifying the accuracy of the financial records and for providing evidence in the event of an audit or dispute.

4. The fourth part of the document discusses the importance of maintaining accurate records of all assets and liabilities. This includes tracking the value of the company's property, equipment, and other assets, as well as recording all debts and obligations. Accurate records of assets and liabilities are essential for determining the company's net worth and for ensuring that all financial obligations are properly accounted for.

5. The fifth part of the document discusses the importance of maintaining accurate records of all income and expenses. This includes tracking all revenue generated by the company, as well as all costs incurred in the course of its operations. Accurate records of income and expenses are essential for determining the company's profitability and for ensuring that all financial transactions are properly recorded.

6. The sixth part of the document discusses the importance of maintaining accurate records of all tax-related information. This includes tracking all taxable income, as well as all deductions and credits that may be available. Accurate records of tax-related information are essential for ensuring that the company is in compliance with all applicable tax laws and for maximizing its tax savings.

7. The seventh part of the document discusses the importance of maintaining accurate records of all financial statements. This includes preparing and maintaining accurate balance sheets, income statements, and cash flow statements. Accurate financial statements are essential for providing a clear and concise overview of the company's financial performance and for making informed decisions about the company's future.

8. The eighth part of the document discusses the importance of maintaining accurate records of all financial transactions. This includes tracking all sales, purchases, and expenses, as well as all other financial activity. Accurate records of all financial transactions are essential for ensuring the accuracy of the financial records and for providing a clear and concise overview of the company's financial performance.

9. The ninth part of the document discusses the importance of maintaining accurate records of all financial transactions. This includes tracking all sales, purchases, and expenses, as well as all other financial activity. Accurate records of all financial transactions are essential for ensuring the accuracy of the financial records and for providing a clear and concise overview of the company's financial performance.

10. The tenth part of the document discusses the importance of maintaining accurate records of all financial transactions. This includes tracking all sales, purchases, and expenses, as well as all other financial activity. Accurate records of all financial transactions are essential for ensuring the accuracy of the financial records and for providing a clear and concise overview of the company's financial performance.

## Freshmen

The Freshmen class is a group of students who have just entered the school. They are a mix of boys and girls, and they are all looking forward to a new year of learning and growth. The class is led by their homeroom teachers, who will help them adjust to the new environment and get started on their academic journey.

1. The first step is to identify the problem. This involves understanding the situation and the goals that need to be achieved.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions, including sales, purchases, and expenses. It emphasizes the need for a systematic approach to record-keeping, such as using a ledger or accounting software, to ensure that all financial data is properly documented and organized.

2. The second part of the document focuses on the importance of regular financial review and analysis. It suggests that businesses should conduct monthly or quarterly reviews of their financial statements to identify trends, assess performance, and make informed decisions about future operations. This process involves comparing actual results against budgeted figures and identifying areas for improvement.

3. The third part of the document addresses the importance of maintaining adequate liquidity and managing cash flow. It highlights the need for businesses to ensure they have sufficient cash on hand to meet their short-term obligations and avoid financial distress. Strategies for improving cash flow, such as accelerating receivables and delaying payables, are discussed.

4. The fourth part of the document discusses the importance of budgeting and financial planning. It suggests that businesses should develop a comprehensive budget for each fiscal year, which serves as a roadmap for financial performance. This process involves setting realistic goals, allocating resources, and monitoring progress throughout the year.

5. The fifth part of the document addresses the importance of seeking professional advice and consulting with financial experts. It suggests that businesses should consider hiring a professional accountant or financial advisor to provide guidance on complex financial matters, ensure compliance with tax regulations, and develop effective financial strategies.

## Varsity

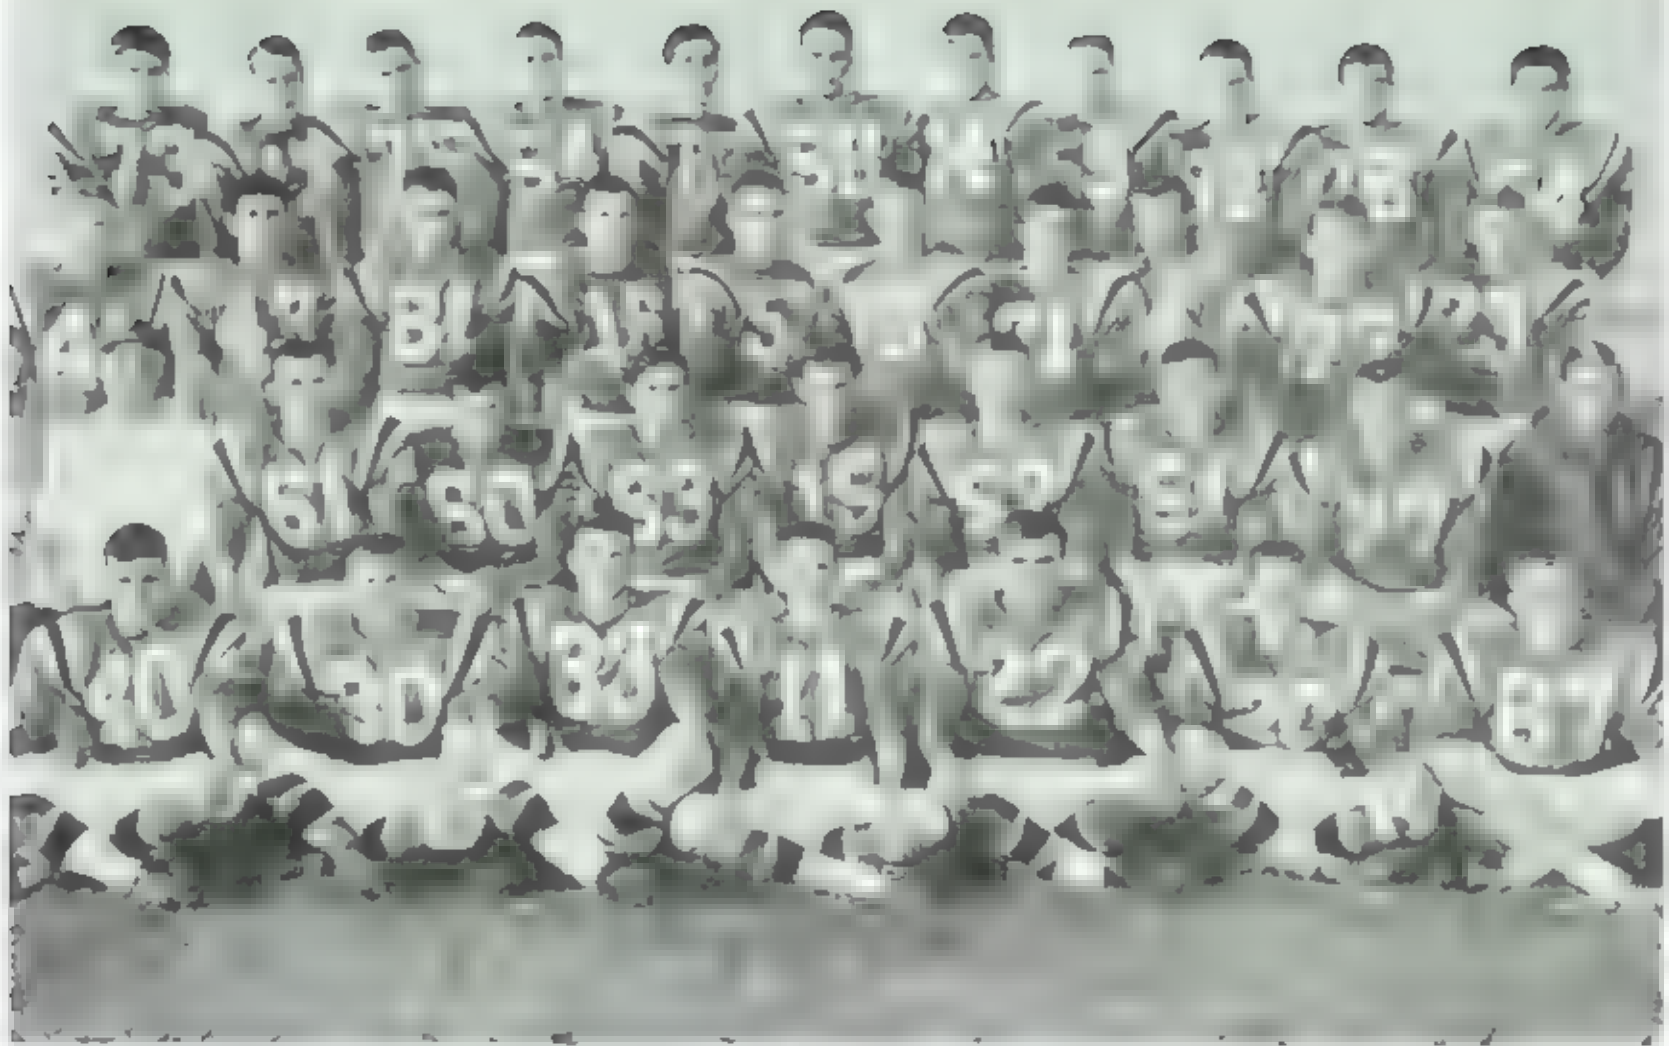

This was a season of disappointment for the varsity football team. Almost every regular player including co-captains Dennis Smith, Bob Levin, and Rick Steele missed games due to injuries. A losing streak spoiled any hope that the Indians might win the Des Plaines Valley League title. Nevertheless, the team did win three games in a row. With better luck, they might have won more. As it was the team provided color, excitement, and, most of all, representation of Big Red's keen competitive spirit.

## Junior Varsity

The junior varsity gridgers captured third place in the Des Plaines Valley League with a record of three wins, three losses, and two ties. Their three victims were all worthy contenders: Evanston, East Leyden, and Palatine. Coach Paulsen commented that if injuries can be held down, next season the football team should win the league title.

Five extra points are the difference in the Home coming victory over Palatine

## Sophomores

After a 38-0 rout by Maine East and an unlucky loss to Proviso West, the Sophs finally scored an 18-6 victory over East Leyden. Coached by Bill Coyer, the sophomores began the '64 season with few experienced players. After losses to Palatine, 27-6, West Leyden, 27-14, and Maine South, 27-13, the Indians finally added another victory to the slate. They defeated Morton West by the close score of 13-12. The Sophs closed the season with a 26-13 loss to Willowbrook. Yet, in spite of the losing season, soph gridders, as always, gained experience, toughness, and knowledge of the fundamentals.

## Cross Country

Lack of depth, a common malady, hampered this year's varsity cross-country team. The harriers, led by senior Art Silverstein and junior Robert Clemen, could not manage to achieve a victory in their eleven contests. Mr. Harmon, who coaches the cross-country squad, can look forward to a better season next year, when some of the present freshmen and sophomores join the varsity. He can further stress that cross-country competition demands dedication, discipline, and strength, yet, unfortunately, little glory except among the direct participants.

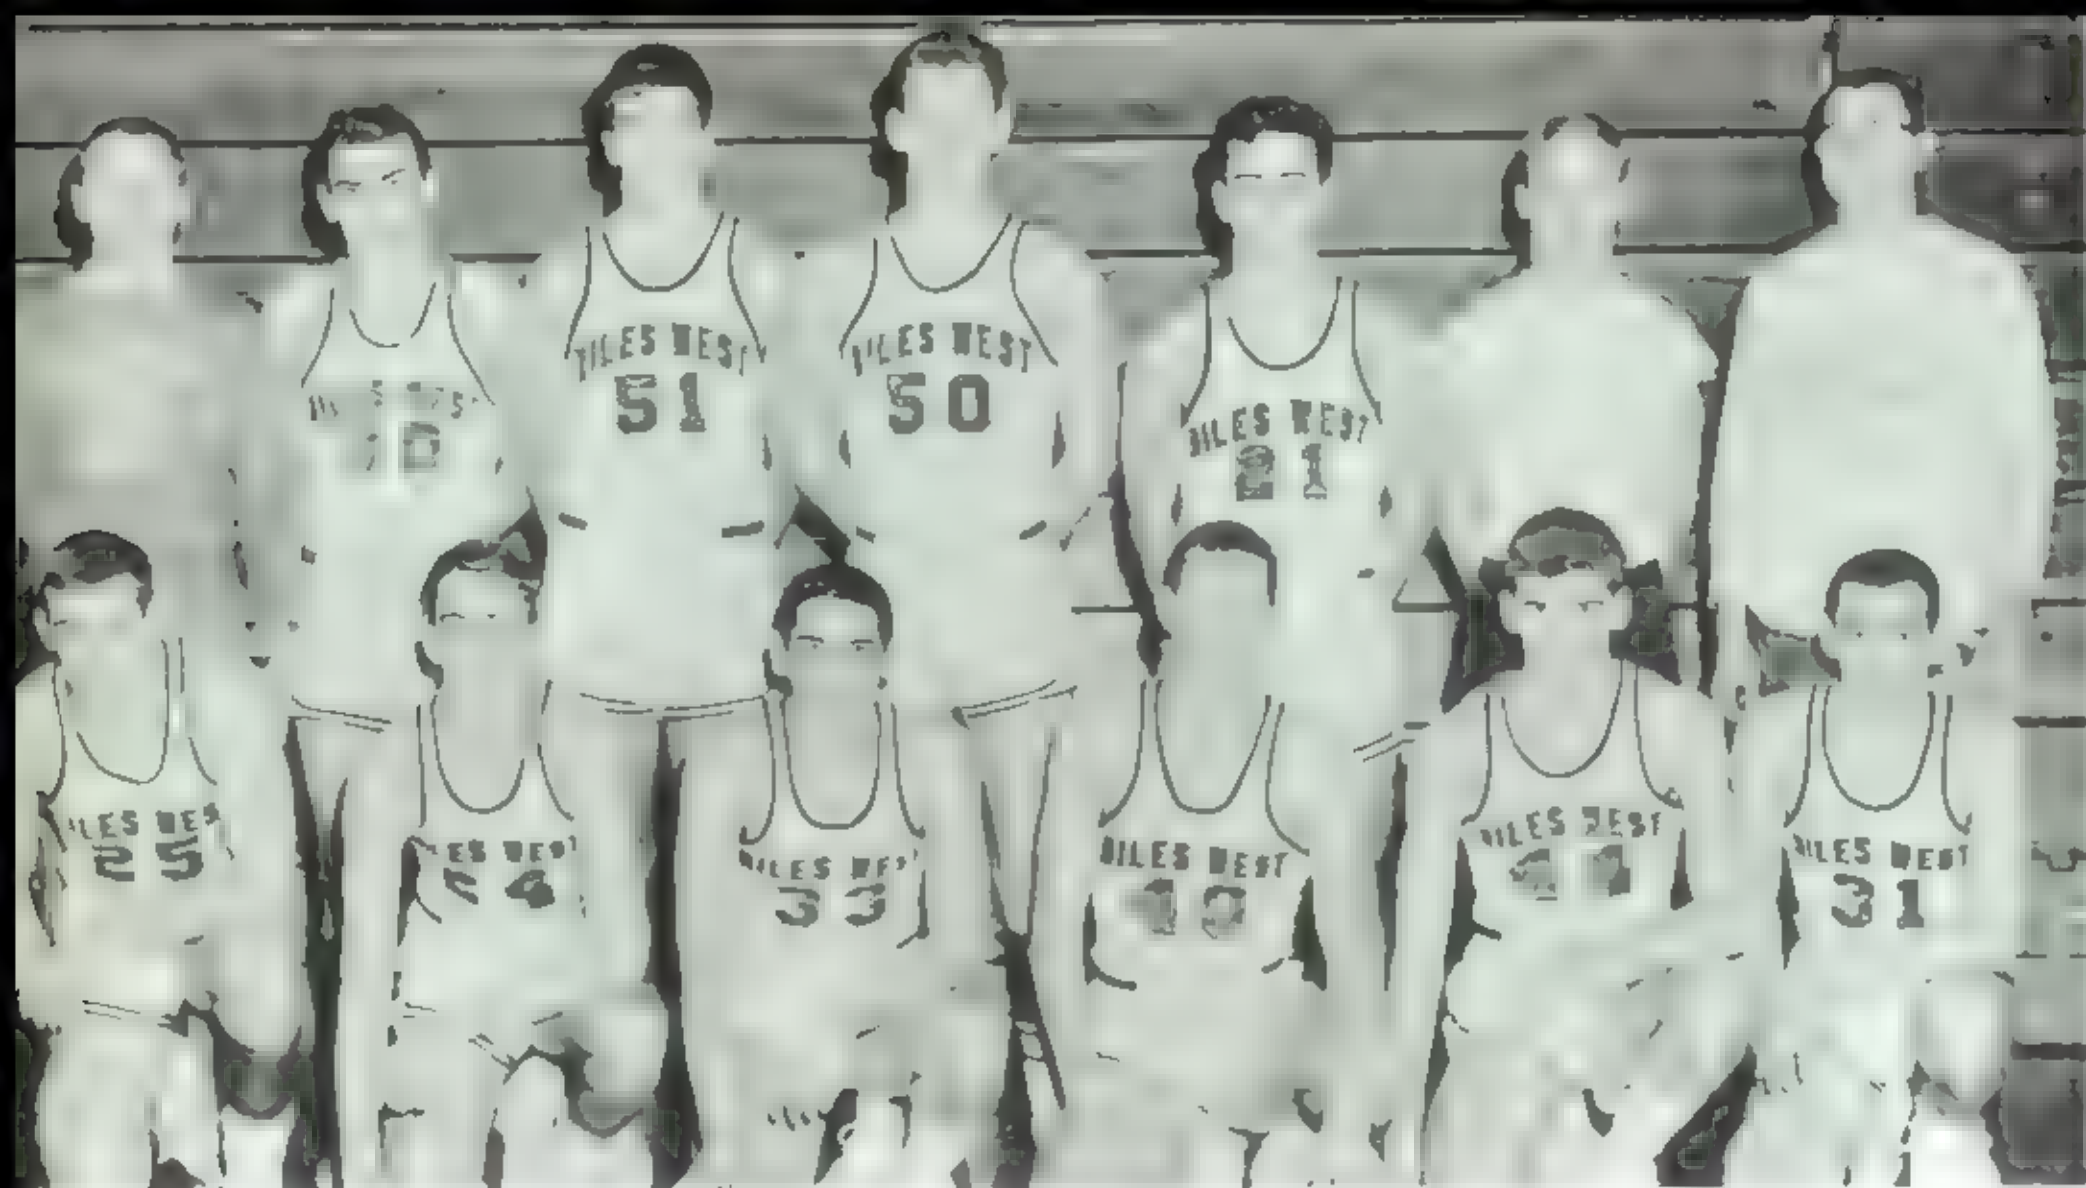

The freshman and sophomore harriers, coached by Mr. Campbell, were more successful than their varsity counterparts. Winning three of their ten meets, they finished in third place in the Des Plaines Valley League. Outstanding members, who should be able to boost the varsity to a more successful season next year, included Ronald and Roger Johnson and Bob Lee.

## Varsity

The Niles West varsity basketball team ended its season with a heartbreaking 50-48 loss to New Trier in the regional tournament finals. This defeat ended the most successful basketball season in the school's history. The team won a total of nineteen games, more than any other team from any Niles Township school has ever won. They posted a league record of ten victories and only four losses.

To no one's surprise, senior co-captains Rick Kreiter and Lloyd Gussis were chosen the most valuable players of this year's team. Between them, they hold every major Niles West basketball record. The other team starters—Mickey Brusman, David Murphy, John Timmer, and Bob Levin—were all seniors as well. Theirs was a well-balanced and coached unit which will be missed.

## Junior Varsity

The j-v's started the hardwood season strongly winning the majority of their first eight games. As the campaign progressed, the team sank below a winning record and eventually won six out of eight contests. The club found itself lacking muscle and a consistent scoring punch. Much responsibility for the success of next year's Big Red rests with these JV's, as the first six varsity cagers are graduating seniors. The great hope is that, as a unit and as individuals, these ballplayers will develop considerably, a feat that often happens with varsity responsibility.

## Freshmen and Sophomores

The sophomore cagers ended the season with a discouraging record of four wins and twelve losses. But they have learned the competitiveness and skill for their future players. In the last game, they defeated Evanston 41-35.

The Fresh "A" team won five of their seven games. They defeated Evanston 41-35, New Trier 41-35, Niles East 44-35, Maine South 66-49, and Palatine 38-46.

Showing a lack of consistency, the Fresh "B" cagers won three of their seven games. They defeated Proviso West 41-33, West Leyden 48-33, and Willowbrook 47-40.

## Swimming

This year's district meet, held at Niles West, ended a successful season for the varsity swimming team. Posting a conference record of three wins and two losses, they captured third place in the Des Plaines Valley League. League champions included Tom Widenup's 400 yard freestyle, who set a new league record, and the 200 yard relay team. Diver Bob Wagner was third in the league and twelfth in the state totals.

## Varsity

The varsity wrestling squad, like the football team, was having a rough time during its campaign. Although they did not succeed in making theirs a winning season, the wrestlers turned in some fine individual performances. Captain Bob Macler qualified for the district meet and finished second in his division. He promoted Bob Lee. Lee, named to the Des Plaines Valley League All-Star squad, was undefeated during the conference season.

This year's Gymnastics squad was the most unexpectedly successful of all the winter sports teams. The gymnasts climaxed a winning season with an outstanding performance in the state finals at Prospect. The "big story" of the year, of course, was team captain Bruce Bolnick. Scoring the second-highest number of points in the state meet, he captured the state side-horse championship, second place on parallel bars, and fourth in all-around performance. Junior Ed Raymond placed fifth on side horse in the finals and also fifth in all-around.

These athletes and the other West gymnasts captured third place in the state meet. This honor, added to the team's 13-5 conference record, meant a memorable season for the squad. Much of this success was due to the dedicated coaching of Mr. Burk and Mr. Armour.

State champion Bruce Bolnick performs his classic STICK-THROUGH.

Ed Raymond, Conference champion as all-around gymnast, executes a flank vault.

Will they remember us? We wonder  
 Will they think of us not as seniors  
 As student leaders or athletes or followers  
 But as individuals?  
 Will they see that our colors were unique  
 That our colors blended in a different way?  
 Or will they, through the lens of time,  
 See nothing new in our colors,  
 nothing valuable.  
 And will they forget to call us  
 ourselves?  
 We wonder

## Acknowledgment

Perhaps only a person directly involved in the creation of a yearbook can appreciate the time and effort required for such a project. Countless people, known and unknown, have contributed to its production. Among these, those to be singled out for special thanks must include first the *Spectrum* sponsors, Mr. William Geismann and Mr. John Hanselow, who took care of the technical and not-so-technical work of advising or advising.

Also to be thanked are the Norman King Company, publishers, and Root Studios, who did the photography. In addition, the cooperation of the faculty and administration has been sincerely appreciated.

The biggest debt is owed to the staff who worked on this year's *Spectrum* staff. The contributions of the numerous assistants, editors, and writers can never be measured. Special thanks are given to Misses Lee Ann, Debbie, Cheryl, Marie, Cooper, Sandy, Heaton, and others. For a Test and a Go! We were always working hard work when we needed them. A big thank you goes to our business manager, Diane Rosga. Thank Steve who designed the cover and the section editors who led most of the active work. Susan, Cheryl, Scott, and Meredith, and the Kratke activities. Jack, Grass, and the other staff. Phil, Brian, and the other staff. Ruth, Imberg, and the other staff. Cathy, Beth, and Betty. Finally, special thanks to Anne, Nancy, and the other staff, and the other staff who helped in the production of this yearbook.

Working on this yearbook has been a great experience for all of us. We can only hope that the book itself will be as rewarding to those who read it.

Respectfully,

Lyette Grithan

Editor of *Yearbook Spectrum* '85

Dear Wally, I haven't know you that long.  
 But it seems as though I've known you  
 longer than I really have. (MAYBE IT'S BECAUSE  
 OF OUR SUNNY PERSONALITY). Well anyway  
 it's been fun knowing you and I hope  
 I see you next year.

Love?

Wally,

It has really been an  
 experience knowing you  
 this year and last summer.  
 Don't flit too much and  
 don't get in a lot of trouble.  
 Good luck in everything  
 you do.

Love,

Jackie

P.S. Since we'll almost look like  
 you are very handsome!
